

The Local Councils' Association Malta (Assoċjazzjoni Kunsilli Lokali) and the Technical University of Crete - Renewable and Sustainable Energy Systems Lab, invite you to the webinar:

" Clean energy transition – Challenges and opportunities

The Sustainable Energy Planning Toolbox"

with a focus on the following topics:

- Energy transition - Challenges and opportunities for Maltese communities
- Clean energy and circular economy for islands - European strategy, opportunities for local society and entrepreneurship

As well as in sustainable energy planning with the [Sustainable Energy Planning Toolbox](#).

The webinar is implemented in the framework of the European Interreg MED COMPOSE PLUS - Rural Communities Engaged with Positive Energy Plus programme and will take place

on Tuesday 19 April 2022, 11:00-13:00 (CET)

online via zoom:
